Overcoming isolation and loneliness with the PhD Alumni Network!
Our motto "UGA PhD Alumni Network: Counting on others, counting for others" has taken on its full meaning in the current situation. During this period of Covid-19 Coronavirus lockdown, the "inventory of living and study conditions" survey carried out by the Student Life management team that the Doctoral College passed on to PhD students has highlighted the fact that many of you - and in particular international PhD students - are isolated and finding this lockdown a lonely period that is difficult to overcome. The PhD Alumni Network is here to help you find other PhD students and alumni, to create ties, share, overcome this loneliness and show solidarity.

Université Grenoble Alpes awarded the "Bienvenue en France" label for the quality of its international students' welcome
Committed to a quality process for welcoming international students, Université Grenoble Alpes was awarded the "Bienvenue en France 2 étoiles" label at the end of May 2020, a label issued by Campus France and validated by an independent commission. UGA and its institutions therefore join the list of 89 labeled institutions among the 183 committed to the process. This label is in line with the international attractiveness policy developed by UGA.
