Doctoral fees

Registration fees are set each year by the Ministry:

Normal rate: 380 € (346 € Registration + 34 € University Library)

Student and Campus Life Contribution (CVEC):

As of the beginning of the 2018 academic year, students must make their request to the CROUS:

Only students enrolled under a cotutelle agreement signed by all parties specifying that tuition fees will be paid in the foreign partner country, have no steps to take.

The student and campus life contribution (CVEC) of € 90 is intended to promote the reception and social, health, cultural and sporting support of students and to reinforce the actions of prevention and education to health. A decree of June 30, 2018 specifies the terms.

Student social security for the year 2018-2019:

From the beginning of the academic year 2018-2019, there is no more contribution to student social security. **Consider anticipating your plan change requests as the student social security plan will completely disappear by August 31, 2019.**
